TWELVE PAGES TODAY

TWO PASSENGER TRAINS REMOVED

Change in Schedule on C. I. & W. Effective Monday. However, Means Better Mail Service

MAIL CAR ON 35 HEREAFTER

Eastbound Train Due at 8:52 A. M. and Westbound Passenger Due at 5:20 P. M. Taken Off

The C. I. & W. railroad today announced a change in the train service, which included the taking off of two passenger trains, but offers better mail service for Rushville with the placing of a mail car on train Number 35 due here at seven in the morning from Chicago.

This train now brings in first class mail only and delays packages and other mail matter until the 8:52. The new service means that all mail will arrive on the seven o'clock train and that the mail car will go back on train 32, which arrives here at nine o'clock at night.

The two trains to be discontinued are Numbers 39 and 40, which are trains eastbound now at 8:52 in the morning and westbound at 5:20 in the afternoon. These trains are now locals and make stops at all towns.

Train Number 35 in the morning will also be a flag stop at Arlington to pick up or discharge passengers, and train Number 32 at night will stop at Glenwood, Arlington or Morristown to pick up or discharge passengers.

The new schedule will be effective on Monday, July 11, and it terminates a long fight for an early morning mail service here in which all mail from the west will arrive at once. It also eliminates Rushville as a flag stop for Number 35, although the train has stopped here every day since it was put as a flag stop.

The local postoffice officials had not received any word today concerning the change in the mail service, but it was expected that word would be received Saturday. L. C. Snodgrass, passenger agent for the C. I. & W. received the word from F. M. Conner, train master, who announced the change in service and made it emphatic that the schedule would not be changed as to the time for the arrival and departure of trains.

"MISSING" LINER TO ARRIVE MONDAY

Wireless Reports Fail to Explain Delay in Arrival of Callao, Due Last Sunday

ANOTHER MYSTERY FEARED

(By United Press)

New York, July 8.—Wireless reports were received here today from the Munson Liner which had not been heard from since June 20. The message said the vessel had not proceeding slowly to New York and expected to arrive at quarantine Monday night. No information was given for the delay.

Gossip along the water front here connected the seeming disappearance with the "phantom pirate" steamer, sighted off Philadelphia recently by another ship of that line.

The Callao, 4,935 tons was due here Sunday. Both the Munson line and the naval communication service reported they had been vainly trying to reach her by radio for several days.

The communication service stated that nothing had been heard of the mysterious "phantom pirate" since she was encountered by the steamer Munalbro, 300 miles east of Philadelphia the night of June 30. Navy officials here scouted the "pirate" theory but had no explanation to offer of the strange behavior of the craft, which was operating practically without lights and disappeared without hailing after a careful inspection of the Munalbro.

PAYS FINE FOR ASSAULT

Harry Barrett Pleads Guilty After Fight With Ralph Hileman

Harry Barrett pleaded guilty late yesterday to a charge of assault and battery on Ralph Hileman, before Justice Stech, following a street fight near the corner of Second and Main streets. Barrett pleaded guilty and was fined \$1 and costs which were paid.

The trouble between the two was said to be over the fact that Barrett recently married Hileman's divorced wife. Barrett said that Hileman had "bothered" around his house, after being warned not to do so.

SCHOOL MILK FUND IN NEED OF MONEY

Aim of Woman's Council to Establish Feeding in All Buildings if Required Amount is Raised

ROTARY BALL GAME PURPOSE

Proceeds From Contest Next Tuesday Will Be For This Purpose—What Cost Was Last Year

The Woman's Council's ambition is to establish milk feeding regularly in the first three grades of all the school buildings in the city, and that is the reason why the proceeds from the Rotary club ball game between Indianapolis and Rushville teams here next Tuesday afternoon will be applied to this fund.

The game will be called promptly at four o'clock and will be attended by approximately seventy-five members of the Indianapolis club who will come here in machines Tuesday afternoon. They will remain for the regular meeting of the local club which will be held in the evening.

It is estimated that the cost of feeding the children in the first three grades of the Havens building for a year would be approximately \$500, based on the experience of the Council from January to June this year. During that period, giving each child a half pint a day cost over \$300. This was more than a half year, but the Council expects to buy milk cheaper next year.

With the Council providing the half pint bottles, the cost of the milk ranged from fourteen to sixteen cents a quart. Although the delivery expense is not as heavy as that of a milkman, there is extra labor entailed due to the fact that the milk is placed in half-pint bottles.

The Council already has an offer to provide the milk bottled in half pints at twelve cents a quart. The Continued on Page Seven

MARKING OF TIP-TOP TRAIL BEING FINISHED

Placing of Monogram of Highway on Poles is Done by Hoosier State Automobile Assoc'n

RUNS THROUGH RUSHVILLE

The marking of the Tip-Top trail, which was established through Rush county by the Hoosier State Automobile association last year, is being completed, according to word received here. The marking is being done by outfit No. 2 operated by J. L. Champlin.

The Tip-Top Trail extends from LaGrange to Greensburg, by way of Columbia City, Huntington, Hartford City, Muncie, Newcastle and Rushville.

The monogram consists of the marker of three T's in black stenciled on a white painted background. At turns the letters "R" or "L" are used to indicate right or left turn. The association marks three poles on each side of a turn, two poles on each side of road intersections and an occasional pole between crossroads. The Tip-Top Trail is one of the thirty-two trails established in Indiana by the Hoosier State Automobile Association and marked by the association.

TORRID WEATHER GRIPS THE COUNTRY

No Section of United States Escapes Intense Heat Which is Causing Many Deaths

LITTLE RELIEF IN SIGHT

Wheat and Oats Crops Are Being Damaged, Particularly in Ohio, Illinois and Indiana

(By United Press) Intense heat throughout the entire United States today caused a number of deaths and prostrations and inflicted severe damage to crops.

From one coast to the other, sweltering heat waves caused all mercury altitude records to be shattered and little relief was in sight.

On the Pacific coast a trade wind caused a lowering of the mercury from 106 degrees in Fresno and 104 degrees in Sacramento.

Pittsburg reported ten deaths this week and other parts of Pennsylvania reported nine deaths. New England had scores of prostrations.

The wheat and oat crops are receiving serious damage. Ohio, Illinois and Indiana are in the claws of the year's worst heat wave. Texas also is experiencing the greatest heat wave of the summer.

Canada was not spared, the mercury registering close to 100 degrees in many sections.

Heat Damages Crops

Washington, July 8.—Serious damage is being done to the spring wheat and oats crop by the hot dry weather, the United States weather bureau announced today. No relief was in sight which was indicated today by the forecast for the next thirty-six hours.

So far the damage has been confined to the upper part of the northern states such as Ohio, Indiana, Illinois, North and South Dakota and Minnesota.

Oats suffered the greatest in the first three states and wheat was damaged the greatest in the last three states, the bureau said.

Slight damage to corn in the Ohio valley and the Atlantic coast was also stated. Little change in temperature was forecast for the states east of the Mississippi river for the next thirty-six hours.

The temperature will be somewhat lower in the upper Ohio valley but there will be little change in the states east of the Mississippi during the next thirty-six hours, the report said.

Thunder Storms Bring Relief

Chicago, July 8.—Thunder storms relieved some sections of the mid-Continued on Page Three

NEW HIGH MINIMUM IS ESTABLISHED HERE

Lowest Mark Reached by Mercury During Night is 71 Degrees—Cooler Today, However

RAIN BRINGS LITTLE RELIEF

The weather man slipped a cog yesterday when he predicted fair weather, and continued hot today. The showers this morning were general in Rush county, but did not last enough to do much good, according to the farmers in different localities.

Elwood Kirkwood, county weather observer, stated that last night was the highest minimum temperature recorded this summer, when the lowest recorded last night was 71 degrees. The night before the temperature reached as high as 70 degrees.

Cloudy weather and the showers this morning cooled the atmosphere for a while, and at noon today the government thermometer registered 86 degrees, which is lower in comparison with the highest reached earlier this week.

Reports for this area do not predict any relief from the hot weather, according to Mr. Kirkwood, and the weather predictions for Saturday are partly cloudy with the temperature unchanged.

PRODUCTION OF WHEAT PUT HIGHER

Department of Agriculture Estimates Yield This Year at 809,000,000 Bushels

1920 PRODUCTION 787,000,000

Corn Yield Figured at \$3,123,000,000 as Compared With 3,232,000,000 Last Year

(By United Press) Washington, July 8.—The total wheat production for 1921 was forecast at 809,000,000 bushels by the department of agriculture today. The forecast a month ago was for 830,000,000 bushels. For 1920 the total production was 787,000,000 bushels.

The winter wheat production was estimated at 574,000,000 bushels as compared with an estimate of 578,000,000 bushels a month ago.

The spring wheat production was estimated at 235,000,000 bushels as compared with an estimate of 251,000,000 bushels a month ago and a production of 209,000,000 bushels last year.

The condition of wheat was given at 78 percent compared with 82.5 at this time last year. The condition of winter wheat was given as 77.2 percent now and 79.7 percent at this time last year. The spring wheat was given at 80.8 percent now as compared with 88 percent last year.

Six and nine-tenths of last year's wheat crop or about 54,435,000 bu. was held on farms July 1, as compared with 47,620,000 held on farms July 1 last year.

A month ago the condition of all wheat was estimated at 82 percent, winter wheat at 77.9 percent and spring wheat at 93.4 percent.

The total corn production was given as 3,123,000,000 bushels as compared with 3,232,000,000 bushels last year. The condition of corn was estimated at 91.1 percent and the acreage at 108,901,000 acres or 4.1 percent greater than in 1920.

FORCED TO EAT FOOD PREPARED BY HIS WIFE

Dan Kaber While Lying in Bed Compelled to Take Nourishment it is Contended Contained Poison

MAID MURDER CASE WITNESS

(By United Press)

Cleveland, Ohio, July 8.—Dan Kaber while lying in bed, was forced to eat food prepared by Mrs. Eva Katherine Kaber, according to testimony given today by Miss Emma Wagner, former maid at the Kabers' home.

Miss Wagner was the first state witness called to the stand when the trial of the woman accused of murdering her husband was resumed today.

The witness recounted instances when Mrs. Kaber forcibly fed her husband strawberries and candy which apparently made him violently ill.

Miss Wagner was followed on the stand by Miss Crystal Benner, a nurse who attended Kaber for three months up until two months before the murder.

The nurse told the same story as Miss Wagner and recounted several instances when Mr. Kaber was given food by Mrs. Kaber.

The state charges that arsenic was contained in the food which Mrs. Kaber forced her husband to eat.

BULLETIN

Indianapolis, Ind., July 8.—Directors of the Indiana Federation of Farmers' associations voted this afternoon, 8 to 2, against proposed constitutional amendment giving unlimited power to legislature in taxation matters. By the same vote they opposed one making the office of superintendent of public instruction appointive. They favored all other amendments to be voted on in September.

SAM GORMAN IS ARRESTED

Man Wanted Here on Grand Larceny Caught at Knightstown

Sam Gorman was arrested this morning in Knightstown by the town marshal, and he notified Sheriff Jones here that the prisoner would be turned over to this county when they called for him. Gorman is charged in an affidavit in the Rush circuit court with grand larceny, it being alleged that he stole a pocket-book containing \$74 from Charley Breece, who lives in northern Rush county.

Marshal Bradway at Knightstown has had the warrant for several weeks, and this morning Gorman appeared in that city and he was immediately arrested. Sheriff Jones was to return him here this afternoon.

ACCEPTABLE LIST SENT TO WORKERS

Articles of Used Clothing Which Are Desired in Near East Campaign Are Listed

SOME "DON'TS" INCLUDED

Laces, Silks, Chiffons, Veils, Satin Slippers, Straw or Frame Hats Are Not Wanted

Mrs. A. L. Stewart, who is directing the campaign in Rush county for used clothing for the Near East Relief, last night sent to each of the township chairwomen, who were announced yesterday, a list of articles which are acceptable. In the list also are some "Don'ts" calling attention to useless things which would be of no value to the people of the Bible lands.

Each township will conduct the campaign in its own way, but a special plan has been outlined for Rushville city. On Tuesday and Wednesday of next week a house-to-house canvass will be made to call the attention of all people to the campaign and to make a personal appeal for used clothing. All will be urged to prepare whatever gifts they may have in a bundle, which will be gathered in automobiles Saturday. This will be known as "Bundle Day" and the township chairwomen are also requested to have their bundles collected and delivered in Rushville by that time.

There is tremendous need for old Continued on Page Two

WEALTH SPELLS RUIN, ALLEGATION OF WIFE

Emmogene Locke, in Suit For Divorce, Says Husband Found Affinity, When He Became Rich

CASE FROM FAYETTE COUNTY

The sensational divorce suit venue here from Fayette county, as mentioned a few weeks ago, was received in the clerk's office today. The suit was filed by Emmogene Locke against Anthony Locke and involves alimony in the amount of \$35,000.

The complaint is lengthy and contains ten pages. The suit alleges that the two were married in Vevay and started out in life poor. The complaint alleges that they moved to Connersville, where Mr. Locke was employed in a factory, and during the building boom in that city, he became interested in real estate. Mrs. Locke alleges that he made fast strides in that business and became wealthy, and that her company was too slow for the husband.

Mrs. Locke alleges that with his riches he had an affinity, Laure E. Edwards, a married woman, and that he spent money on her and for her pleasures, neglecting the legal wife.

The plaintiff is represented by Judge-elect Ralph Himelick of Connersville and John A. Tittsworth of this city, and the defense is represented by Edwin G. Johnston of Connersville, I. N. McCarty of Brookville and Henry Spann of Indianapolis.

HARDING PATIENCE ABOUT EXHAUSTED

Explains President's Sudden Visit on Capitol Hill Thursday to Urge Congress to go to Work

MESSAGE EXPECTED SOON

Will Insist on Bonus Bill Being Shelved For Present and Tariff and Tax Being Taken Up

By RAYMOND CLAPPER

(U. P. Staff Correspondent) Washington, July 8.—President Harding's patience with Congress is about exhausted. He has decided to abandon his original policy of "hands off" in an effort to end what he considers the dilatory tactics on capitol hill which have run his legislative program into almost hopeless confusion.

This is the explanation of Harding's sudden visit to the capitol and his insistence to Senators that Congress shelve the soldier bonus bill and get down to work on the tariff and taxation measures for which the special session was called.

He will formally recommend this in a message soon, perhaps today.

In adopting the leadership tactics used by Roosevelt and Wilson, Harding reverses his original policy which was to allow congress to run its own affairs.

He has waited for four months carefully avoiding the least show of executive interference. His ire was finally aroused by the eagerness with which congress took up the bonus legislation in the face of the protests of Secretary of the Treasury Mellon and other government fiscal experts.

Republican Senate leaders today were making plans to carry into effect the program Harding outlined to them at his visit to the Capitol yesterday. Nothing formal will be done until the president's message has been received, leaders said.

The message, it is expected, will include:

A recommendation that the soldier bonus legislation be deferred for the present, with detailed reasons why Harding thinks this course wise, and a promise to the ex-service men that the administration is still committed to the principle of adjusted compensation for soldiers and will make good his promise at a more favorable time.

A suggestion that the senate "expedite" the tariff and tax legislation which Harding will point out is the real business for which the session was called, by taking a series of three day recesses. Harding takes the position that by thus limiting the sessions work to its primary task, performance of these tasks will be hastened rather than delayed.

A recognition of the position of the "agricultural bloc" in the Senate whose members are "standing pat" for enactment of emergency relief legislation for farmers before they consent to any recess. Harding is expected to advise immediate attention to such legislation.

HOWAT IS SENT TO JAIL FOR SIX MONTHS

President of District 14 of United Mine Workers Also Fined For Violating Court Order

SAME FOR VICE-PRESIDENT

(By United Press)

Columbus, Kansas, July 8.—Alexander Howat, president of district 14 United Mine Workers of America, and Angus Dorchy, vice-president, today was sentenced to six months in jail and fined \$500 each by District Judge Bois for violating the Kansas industrial court law by calling a local strike following a wage controversy.

Howat and Dorchy were convicted by a jury last week. Immediately after he was sentenced in a court room crowded with miners who refrained from a demonstration. Howat answered the judge and declared it was within his right in calling the strike for which he was prosecuted and stated that the court law was unfair.

HOW TO REDUCE VARIGOSE VEINES

Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches.

If you will get a two-ounce original bottle of Moone's Emerald Oil (full strength) at any first class drug store and apply it at home as directed you will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Moone's Emerald Oil is very concentrated and a bottle lasts a long time—that's why it is a most inexpensive treatment. It has brought much comfort to worried people all over the country and is one of the wonderful discoveries of recent years and always bear in mind that anyone who is disappointed with its use can have their money refunded. Generous sample on receipt of 15 cents, silver or stamps. International Laboratories, Rochester, N. Y. Your druggist can supply you. 3

BUGS SPEND THEIR FORCE IN COUNTY

Now in Uncontrollable Stage, But New Attack May be Expected in September, it is Announced.

CHINCH BUGS DEVELOP WINGS

Loss in This County Said to be Mild Compared With That in Many Other Counties

Chinch bugs have spent their force in Rush county, according to county agent, D. D. Ball, who stated today that they were now in the uncontrollable stage, as the bugs have matured and have gotten wings and separated and scattered.

The bugs in this stage are not considered dangerous, but the second appearance which is due in September, must be watched closely, and it is along this line that the attacks should now be made.

It is impossible to estimate the damage done in Rush county but the loss here is mild compared to counties in this section of the state, where the bugs were in big numbers.

"While the bugs have spent their force in some counties, they will still cause a lot of damage in many counties and continual work to control them is necessary," said Prof. Davis, of Purdue. "As they mature they get wings and will fly to neighboring fields and lay eggs for a second brood of bugs which will scatter through the corn later in the season. Every female killed now will mean from 100 to 300 fewer bugs in the second outbreak and probably as many as 10,000 next spring."

Prof. Davis declined to estimate the losses caused by the bugs this year but said it would run into the hundreds of thousands of dollars. He declares that unless unexpected harmful conditions occur they will be even worse next season as they have been multiplying rapidly in the state the last few years. Burning of fence rows and other infested areas during the winter will be necessary to stop them, he said.

A narrow line of creosote oil with post holes every rod or so apart has proven the most effective weapon against the hordes of chinch bugs. When used properly and before the bugs got into corn fields, the remedy, which has been strongly recommended by the entomology department of the agricultural experiment station at Purdue university, has proved 100 percent efficient. Prof. Davis, head of the department has visited a number of counties and assisted county agents in conducting demonstrations on control measures in infested areas and hundreds of farmers have used it.

Special Music

Saturday, July 9th

Everybody Invited. Visit this store and hear the music.

Continuous program of popular music will be put on Afternoon and Evening—with a good pianist playing all the new and popular hits. A special demonstration on one of our finest Pianos and Players in our show window during evening, starting at 7:00 o'clock P. M.

Everybody who is interested in music invited to visit this store afternoon and evening

STARTING SATURDAY — SPECIAL SALE on some of the most beautiful Player-Pianos, Phonographs and Grafonolas of our stock. Prices have been lowered on these instruments—even lower than the prices on same before the war. If interested in buying an instrument you should see these goods and get prices before our present stock is all sold out—for we cannot even duplicate these same models at these special sale prices. It will not pay you to put off buying until fall. Buy now and save money.

OUR TERMS—EITHER CASH OR EASY PAYMENTS — GET PRICES AT STORE.

COME IN SATURDAY—TELL YOUR FRIENDS TO COME AND HEAR SOME GOOD MUSIC.

OPPORTUNITY IS WORKING OVERTIME

"Opportunity hasn't missed a working day since the Garden of Eden was laid out in building lots."

So wrote a popular writer six years ago. But that was before the war.

Today—opportunity is not only putting in a full day's work, between sun-up and sun-down, but it is working overtime. The country has never been so prosperous.

Take advertising, for instance.

There's opportunity right here in these pages.

—for the men who sell.

—for the men and women who buy.

Don't miss the advertisements. They are guide posts to better buying. They will save you money.

dreds of farmers have used it.

Best results have been obtained by plowing a furrow around the field turning the ground toward the field. This gave the bugs, which usually migrated from a grain field, no stopping place and they fell down the smooth side of the furrow into the trench. A can with a nail hole in the bottom was sufficient to spread a narrow line of the creosote oil near the brow of the loose dirt turned over in the furrow. The line ran near the post holes so that the bugs in crawling along the offensive barrier of creosote would fall into the post holes from which they could not get out.

Where the bugs have gotten into the corn, spraying with Black Leaf 40, one ounce to three gallons of water, has been found the best remedy. One cubic inch of soap should be added to each gallon of this spray material.

ACCEPTABLE LIST SENT TO WORKERS

Continued from Page One
clothing in the Bible lands of Armenia and other countries of the Near East, says an appeal from the Indiana Committee of Near East Relief to the local organization in charge of bundle day.

"Our people are offered this opportunity to give old, discarded, out-of-date, surplus and useless clothing to save the lives of those who will this winter face death by exposure. Indiana is asked to furnish at least thirteen car loads. Many of the railroads are offering to furnish free transportation to the Near East Relief warehouse in New York.

"We have some truly heart-rending pictures," says the Committee, "with facts, figures and information on the great need for old clothing. Particularly is this appeal directed to the church people of the state, for these unfortunates who are facing such destitute conditions are from the oldest Christian nation in the world—men, women and children of the Bible lands. All have garments that are not in use. They are hoarded for sentiment, are kept to make over, or are too torn to be respectable. People in Armenia will need these clothes this winter. Last year the clothes that were sent were eagerly sought by people of education and of one time wealth as well as by widows and orphans, for all alike had nothing else to replace the tattered, patched garments that they wore when driven into the desert four years ago.

"There were not enough to go around and thousands froze to death or died of disease brought on by exposure to the severe cold or the mountain climate of Armenia. Conditions this year will be as bad or worse than last year. Thousands of little children, mere babies, are in need of clothes. No sewing is necessary except to replace buttons."

Following is the list sent to the township chairwomen:

What to Ask For

Any good warm clothing that can be spared.
Any worn or torn clothing that may be mended.
All good parts cut out of worn

out garments, especially coats, trousers and dresses. These parts will make something warm for the kiddies and the small pieces will make comfort tops.

Cotton and woollen pieces for comfort and quilt tops.
Sheets, pillow cases and towels.
Strips of old and new muslin.
All remnants than can be spared.
Comforts and pillows.

Stockings, socks, woollen caps, sweaters, shawls, capes, mittens, warm gloves, underwear, dresses, petticoats, coats, overalls, overcoats, etc.

Needles, thread, buttons, yarn, darning cotton, pins, unbreakable toys, etc.

Shoes, Shoes, Shoes. Get all the shoes you can.
Ask for anything that will help to keep the people warm. A garment that you may think is impossible for clothing may, we are told, keep some one in the Near East from freezing to death.

Do not take any clothing that is not clean.

Do not take laces, silks, chiffons, veils, satin slippers, straw or frame hats.

With a list like this, each family in Rush county ought to be able to give something, no matter how small the bundle.

Saturday, July 16 is Bundle day. Please try to have all your bundles in Rushville by that time. Place of delivery will be announced later. Watch the papers.

CONFERENCE IS RESUMED

Sinn Fein and Unionists Conferees Get Ovations at Dublin

(By United Press)

Dublin, July 8.—The conference of Sinn Fein and Unionists leaders designed to reach an agreement preliminary to the London conference with Premier Lloyd George was resumed here today.

Great crowds gathered outside the building where the conference was in progress and cheered the arrival of each of the conferees.

Eamon DeValera, president of the "Irish republic," and Earl Middleton, leader of the Unionists in Southern Ireland received tremendous ovations.

2 AMERICANS KILLED

Washington, July 8.—The state department today was awaiting a further report of the killing of two Americans by highway robbers in the Tampico district in Mexico.

The consul at Tampico reported the killings but his cable was so garbled that details could not be learned from it.

FRENCH MISSION RECALLED

Paris, July 8.—The government has ordered recall of the French legal mission at Leipzig as a protest against hypocrisy of the German trials of war guilty in that city it was announced today.

LIVE STOCK OPENING

Chicago, July 8.—Opening: Hogs: Receipts 27,000; holdovers, 8,033. Cattle, receipts 3,000. Sheep, receipts 9,000.

GEORGE IN ROLE OF AN IRISH MEDIATOR

Action of British King in Receiving Premier of Ulster Regarded as Significant

DE VALERA EXPECTED NEXT

(By United Press)

London, July 8.—King George appears to have suddenly assumed the role of principal mediator in the present Irish negotiations.

The king received Sir James Craig, premier of the Ulster parliament at Buckingham palace today.

Following by only a day his conference with Jan Smuts, premier of South Africa and intermediary in the negotiations, George's action was regarded as deeply significant.

Unconfirmed reports were immediately circulated that DeValera, president of the Irish republic, would be the next important figure to be invited to Buckingham palace.

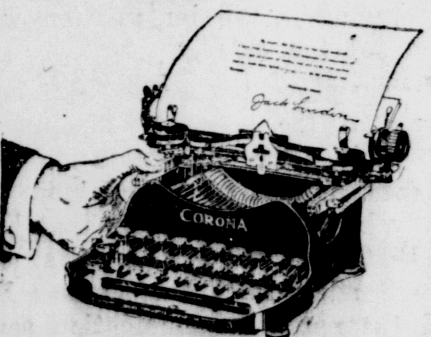

DEFENDANTS TAKE STAND

Tulsa, Okla., July 8.—Goldie Gordon, artists model and Mrs. Myrle James, divorcee, were to have their ining today in the Devereaux murder trial. The prosecution late yesterday closed its case against the two women whom is branded as "angels of mercy at \$100 a day" and who are charged with the murder of the aged Oklahoma supreme court commissioner, John Devereaux.

New York—The female masher has arrived. Irving Rabinowitz asked police to protect him from a girl who follows him everywhere.

—Mr. and Mrs. Charles Wilson left this morning for Buffalo, N. Y. for a few days visit.

—Revilo Ferguson of Indianapolis was visiting relatives here today and attending to business matters.

—Mr. and Mrs. Frank Gipson left this morning for Bloomington, Ill., where they will make their future residence.

—Mrs. Lowell M. Green and children have returned from a month's stay in Buffalo, N. Y. and Cleveland, Ohio.

—Mrs. Nora McGinnis has been called to Kokomo, Ind., on account of the serious illness of her mother, Mrs. R. J. Ranck.

—Mrs. L. C. Snodgrass and daughter Gertrude were passengers today to Indianapolis, where they visited with friends.

—Dr. and Mrs. Cullen Sexton and Dr. and Mrs. Lowell M. Green motored to Muncie Wednesday and attended a medical meeting.

—Mr. and Mrs. James H. Ball of Enid, Okla., are expected here tonight for a visit with their son, Donald D. Ball and family in this city.

—Mrs. E. B. Poundstone left yesterday for Indianapolis to attend a board meeting of the Indiana conference of the Woman's Home Missionary Society.

—Mrs. Edwin H. Hughes, Jr., and daughter Katherine Isabelle, of Tulsa, Arizona, were expected here this evening for a visit with her parents, Mr. and Mrs. C. L. Bebout of North Morgan street.

TORRID WAVE GRIPS COUNTRY

Continued from Page One

west today from the intense heat which caused hundreds of prostrations and many deaths in the last few weeks.

Rain was reported generally in the region of the Great Lakes during last night and today.

In Chicago, a rain storm flooded the city. Children flocked to the streets and waded in the water rushing down the pavements.

Heat Wave Broken

Milwaukee, Wis. July 8—A thunder storm late Thursday broke the heat wave gripping Wisconsin for more than one week. Forty heat prostrations were reported in this city Thursday. No deaths were recorded.

THEDA BARA MARRIED?

New York, July 8—Theda Bara, vampire of the screen was today reported to have been secretly married at Greenwich Conn. last Saturday to C. J. Brabin, Fox Film Co. picture director. At the picture star's home the story was denied. Efforts to locate either Miss Bara or Brabin proved futile. Brabin was divorced a few months ago.

He'll Get Plenty of Exercise

(Toledo Blade)

Often auto riding proves to be good exercise after all, especially when the driver has to get in and out of his machine 20 or 30 times on a ten-mile trip to see why the engine stops.

MOVIES PROTECTED IN NEW TARIFF BILL

Salaries of Stars Will Not Have to be Slashed to Compete With Foreign-Made Films

30 PERCENT ADVALOREM DUTY

Washington, July 8—America's high salaried movie stars and the lesser lights of filmdom have been placed under the "protective wing" of the Republican tariff bill now being considered in the House.

As the result the salaries of those whose pictures appear on the American screen will not have to be slashed to enable American companies to compete with a brisk low cost European competition that has suddenly sprung up. The tariff bill provides protection for the American "movies" by requiring a tax on all foreign films of thirty percent advalorem.

Not only that but the Europeans cannot expect to reap big profits by sending "daring" films to the United States as the bill makes the secretary of the treasury a censor of all reels sent to this country.

The tariff rate carried in the bill, it was learned, is the result of the unexpected success of a few German films that recently have been displayed throughout the country.

Holes in the street are warnings against more holes. So are holes in the graveyard. Repairs in time will delay both.

PINNELL MUST SERVE ALL OF HIS SENTENCE

Governor McCray Turns Down Clemency Request of Fourteen Prominent Kokomo Persons

NO EXCEPTION WILL BE MADE

(By United Press)

Indianapolis, July 8—J. Victor Pinnell, wealthy Kokomo business man must serve the remainder of his ninety-day sentence on the state penal farm for violating the prohibition laws.

Governor McCray late yesterday held that no exception should be made in the case of Pinnell whose pre-wedding party at the Kokomo Country Club was said to have rivalled the feast of Balshazzar.

The governor turned down the clemency request of fourteen prominent Kokomo persons, among whom were two ministers. McCray told the delegation the law had to be enforced in Pinnell's case the same as with any other person. He asserted that disregard for the law in such cases is conducive to Bolshevism and lawlessness.

Besides the sentence, Pinnell was fined \$2,000. A federal grand jury indictment charging violation of the prohibition law was also returned in connection with the party and is still pending.

Germs, says the U. S. Public Health Service, are usually a hand to mouth affair. Better wash up.

MURDERER IS HANGED

Chicago, July 8.—Antonio Lopez, convicted of murdering a grocer he robbed, was hanged here early today. He had been saved twice from the gallows by reprieves. Lopez, while in the death house, amused fellow prisoners by constantly crowing like a rooster.

ADJUDGED INSANE

Tim Winship of North Maple street was adjudged a person of unsound mind yesterday afternoon by an insanity commission in charge of Squire Stech, and commitment papers to the hospital at Madison have been ordered. He is in jail pending his acceptance to the hospital.

The Tri Kappas will meet Monday evening with Miss Helen Thomas and all members are urged to attend as the meeting will be important.

The first meeting of the missionary year, of the Christian Woman's Missionary Society of the Main Street Christian church was held yesterday in the basement of the church. An excellent program was given and a short business meeting was held.

Mrs. Ross Schrader was hostess for the members of the Country Ladies Aid Society of the St. Mary's Catholic church yesterday afternoon at her home north of the city. The guests enjoyed the afternoon with an informal social party and delicious refreshments were served at the close of the meeting.

The Misses Florence Corney and Georgia Wilson entertained ten guests last Monday evening at the home of Miss Carney southeast of the city, with a slumber party. Those enjoying the affair were the Misses Margaret and Dorothy Ralston, Mildred Wilson, Alice Payne, Helen Edmondson, Dorothy Wilson, Rena Mae Norris and Elizabeth Newman.

SAYS IT'S SMOOTH SAILING FOR HIM

Bremen Resident Was Broken Down in Health But Is a Well Man Now

"I had pretty tough time of it before I got Tanlac but it's smooth sailing for me now, for this medicine has built me up fifteen pounds in weight and made me so strong and healthy that I can put in as good a day's work as I ever could and not feel any the worse from it," said William E. Green, life-long resident of Bremen, Ind., while in South Bend.

"I have recommended Tanlac to lots of people because I believe it will help everyone who tries it. Before I ran across Tanlac my nerves were badly upset and my sleep was all broken up. My digestion was all wrong and I ate so little that I hardly had strength to hold up under my work in the moulder's trade. I suffered terribly with heartburn and a sour, gassy stomach, and after every meal I had a tight feeling up through my chest and awful pains that seemed to start in my back and shoot all through my body.

"In spite of all the money I couldn't find a thing to help me until I got hold of this Tanlac, and I want to say right now that four bottles of this medicine have given me a whaling big appetite and knocked out that indigestion and stomach trouble completely. I don't have an ache or a pain, am free from nervousness and I sleep like a top at night. I feel fine and dandy from head to foot and I believe, beyond a shadow of doubt that Tanlac is the best medicine made for troubles like I had."

—Advertisement.

Senator and Mrs. James E. Watson will be among the guests of President and Mrs. Warren G. Harding on a week-end cruise down the Potomac river on the presidential yacht, the Mayflower, according to advices from Washington today.

Mrs. Harold Pearce was hostess for the members of the Thursday Afternoon Bridge Club yesterday afternoon at her home in North Main street. Dainty refreshments were served at the close of the card games. There was an extra table of guests, among whom were Miss Louise Weir of Indianapolis and Miss May Belding of Peru, who are visiting here.

On Tuesday of this week several young ladies of the Orange community motored to the picturesque picnic grounds east of Orange and enjoyed a delightful outing. This has been the annual custom since 1918 as originated by the Orange high school of that year. The affair this year was decidedly the most enjoyable of any previous occasion. Among those attending were Mrs. Nellie Reed, Mrs. Leda Link of Falmouth and the Misses Cecelia Abry of Vincennes, Marian and Marjorie Ann Titsworth, Nellie May Stevens, Helen Irene Reed, Edith S. George, Louise Sipe and Leilah Bowen.

A very interesting meeting of the Little Flat Rock Missionary society was held yesterday afternoon in the Sunday school room of the church. Mrs. Blaine Reeves was the leader of the program. During the business period, conducted by Miss Blanche Armstrong, reports were given for the year and the resolutions for the coming year were read and adopted. Also it was discussed whether the society would remain as a "Living Link". The matter was left to the executive committee to decide.

The program for the afternoon opened with The Lord's Prayer in concert. The Scripture was read by Mrs. Will Brooks and Miss Blanche Armstrong conducted the Bible study, the subject of which was "Elizabeth. The Bible study was followed by a chain of prayers led by Mrs. O. J. Meyers and closed with Mrs. Burl Matney. Two talks which were very interesting were given on "Japan" by Mrs. Cliff Stevens and Mrs. Helen Armstrong.

Delicious refreshments were served in the basement of the church following the program, by the Wilkinson division.

Peggy Allowed \$1,350 A Month

Former Follies Show Girl Will Have to Manage to Make Both Ends Meet on This Sum While Contesting Divorce Suit Brought by Millionaire Husband, Judge Rules

(By United Press)

Chicago, July 8—Peggy Joyce, Follies show girl, was granted \$1,350 a month temporary alimony by Judge Joseph Sabath today.

The court also allowed the pretty blonde \$27,500 attorney fees and \$12,500 to gather evidence in her fight against the suit for divorce brought by her millionaire husband, J. Stanley Joyce.

The judge drastically cut the amounts requested by Peggy to "maintain herself in the life of luxury", to which she claimed she had been accustomed through Joyce's liberality.

Her request for \$100,000 attorneys fees and expenses for the suit, was cut in half. She asked for \$10,000 a month alimony.

The court, however, ruled that Peggy would not have to pawn her jewels in order to pay her living expenses and said that if she found the amount allowed was not sufficient to meet the costs, he would entertain a motion to increase the amount.

"Joyce is a man of great wealth who lavished great expenditures on his wife" the court stated. "These expenditures before and after marriage totalled nearly \$1,300,000. It certainly should be no injustice to ask him to support her now while an action of this kind is pending." For the purposes of reaching his decision, Judge Sabath said that the

marriage of Peggy and Joyce was legal.

Joyce had contended that Peggy had not been granted her divorce from Sherburne Hopkins yet when he married her.

Sabath held that Joyce had failed to prove this contention although he pointed out his decision on the motion for alimony would not affect the question of legality of the divorce and marriage when the trial is held.

Although Joyce declared Peggy had a large private fortune and was able to support herself, the court said:

"The wife in an action of this kind should not be compelled to exhaust her own estate, although the income she receives from her property may be deducted from the amount which the husband should pay."

REVENUE OVER 6 MILLION

Indianapolis, July 8.—State Auditor William Oliver announced today that the state has collected \$6,679,237 from all sources of revenue during the first six months of this year just ended. Oliver made his announcement upon completion of settlement by all of the ninety-two counties in the state. Last year \$5,624,461 was collected, making the collections this year \$1,043,775 higher than before.

The plain Quaker hat originated in the seventeenth century.

OLD TIMER IS BACK

"My friends had all given up and never expected to see me around again. I had given up hoping myself, as no medicine touched my case. The doctors had tried everything. My food did not digest and filled me with gas. My brother in Philadelphia wrote me to try Mayr's Wonderful Remedy. The first dose gave me wonderful relief and I am now as well as I ever was and feel thirty years younger." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For Sale at Drug-gists Everywhere. Advertisement.

Class Control

The American Federation of Labor, at its recent convention in Denver, went on record as favoring government ownership and democratic operation of railroads, and in so doing, demonstrated that they want

the transportation system of this country undoubtedly has had sufficient citizens, which control would inevitably place the people of the country at the mercy of that one class. We saw what the threat of a strike might do during the war and the country undoubtedly has had sufficient experience in government operation to be able to get a fair idea of what government ownership would amount to.

The farmers of the country have repeatedly gone on record in opposition to government ownership, particularly since the proposal for government ownership has been coupled up with a demand that control of the roads be placed in the hands of the employees. There would be no more business sense in government ownership of the railroads with control by the employees than there would be in government ownership of the farm lands of the country with operation by the hired hands, who would fix their own wages and hours of labor.

It is perhaps well that the Federation has adopted this resolution, for it presents the issue in a direct tangible and unavoidable form. There is now a highly organized fight in progress to force the government to borrow money to buy the railroads and adopt a system of

management that would be even worse than the deplorable system put in force by Mr. McAdoo. Where Mr. McAdoo adopted a few regulations reducing hours of labor and increasing wages, the employees' management would adopt many. Where Mr. McAdoo paid for a few classes of services never rendered, the employees' management would make that a universal practice. And the rest of the people of the country would pay the bill, as they are now paying for the extravagance, waste and folly of the McAdoo regime.

Creating a Super Race

Brig. Gen. Charles E. Sawyer, personal physician to President Harding, is working on a plan for the development of a super race of people in the United States.

It is intimated that the Washington administration is interested in the plan.

During the examination for the draft it was found that one-third of the young men of military age were defective physically. Reputable physicians estimate that an equal number of women are defective.

It is the plan of General Sawyer to begin with the babies and afford them scientific care and training until they reach the age of maturity.

If parents generally can be induced to adhere to the rules laid down it is estimated that an improvement of 27 per cent will be noted in the first generation.

The object is praiseworthy, and the administration might well lend its active aid and support.

It is a well known fact among medical men that our race is sadly in need of improvement—not necessarily the injection of new blood, but rather the purification of the blood that now exists.

But will the parents of the present generation take kindly and readily to the suggestion?

We doubt it, unless it has a tremendous powerful backing.

Teaching old dogs new tricks has ever been a difficult task.

The number of prize fighters that are springing up leads one to suspect that there is little likelihood of another war in the near future.

When a fellow is cock sure he is right it is often easy to convince him he is wrong.

Some people wipe out their old debts by converting them into newer and larger ones.

Some women achieve perfection by concealing their imperfections.

HERE'S A MONEY SAVER FOR THE HOUSEWIFE

Good furniture is scarce and expensive, and you can, with very little effort, make your old things look bright and new.

Pitman & Wilson are relieving the cares and worries of the housewives of this community by supplying them with KYANIZE FLOOR FINISH.

This is a very excellent varnish. Can be had in clear or eight beautiful hardwood shades. Made especially to withstand rough usage on a floor, it is for that very reason ideally suited for refinishing furniture and all wood-work as well.

Pitman & Wilson are offering free cans to all their friends and customers who will come to their store and buy a suitable brush to apply this varnish.

It would be well for you to investigate this wonderful finish. Go to Pitman & Wilson's store this week and obtain one of the generous trial cans free by buying a brush.

Do not fail to take advantage of this special offer that Pitman & Wilson are making for this week only.

With the Churches

First Presbyterian church: Sunday school at 9:30 a. m.; morning worship at 10:30 a. m. Communion service at the morning hour. Union services at the First Baptist church Sunday evening at 7:30 o'clock.

Sunday services Wesley M. E. church, L. M. Hagood, pastor, 9:30 a. m. Sunday school—Nathan Fletcher, supt., 10:30 a. m. sermon by pastor; 6:30 p. m. spiritual dept. League—Geo. Adams, leader; 7:30 p. m., sermon by Pastor.

Do not permit the heat to prevent you enjoying the studies in the life of Paul at the Main Street Christian church Bible school at 9:30. At 10:30 the pastor will speak on "Christ's Call to Rest." Prayer meeting Thursday 7:30 in the basement of the church, the coolest place in town. Union services Sunday at 7:30 in the Baptist church with the Rev. W. F. Kunkle as the preacher.

St. Paul's Methodist Episcopal church—Sunday school at 9:30 a. m. in charge of George Wiltse, superintendent. At 10:30 the Sacrament of the Lord's Supper will be administered by the pastor. All members of the church are especially urged to attend and partake of the Holy Communion. Special music will feature the service. The union service at 7:30 will be held in the First Baptist church with sermon by the Rev. W. L. Kunkle of the Presbyterian church. Prayer meeting Thursday evening at 7:30 in charge of the pastor. The "Life" verse of the Bible will be the topic. A cordial invitation to attend all these services is extended.

SCHOOL MILK FUND IN NEED OF MONEY

Continued from Page One

price of milk has come down lately and there is every reason to believe that it can be purchased at this figure during the next school, if not for less.

If the milk feeding were extended to other buildings, it is believed that many parents would contribute to the fund. Some have already volunteered to give money for this purpose if milk were provided for children in the rooms where their children go.

The \$160 made off the Kiwanis-Rotary ball game did not go to the fund for next year but simply made up part of the deficit from last year. Even with this help, the Council had to pay about \$100 out of the visiting nurse fund to meet the expense of the milk feeding at the Havens building.

This clearly shows how great the need is for more money for this work and how much patronage of the ball game here next Tuesday will help. The admission fee will be twenty-five cents, and on account of the hour being late in the afternoon, it is believed that the attendance would run up to several hundred.

The Rushville Rotarians will have an altered line-up, having strengthened their team in many places, and hope to give the Indianapolis club a good game though they will have a former leaguer, Charlie Carr on the mound.

DUCHESS MAY LIVE

Paris, July 8.—Mme. De Guise Hite, the American "duchess" who drank poison with her son, George Harbough, 24, in a suicide pact, was believed today to have a chance for recovery although she was still in danger. Young Harbough died shortly before midnight without recovering consciousness.

Connected with a new electric light switch is a buzzer which sounds as long as the light is burning to warn a user to turn it off when he is through with it.

THREE SUSPECTS ARE HELD

Shooting of Taxi Driver at Vincennes to be Investigated

(By United Press)

Vincennes, Ind., July 8.—Three young men were held here today for investigation in connection with the shooting and serious wounding of William Fox, taxi driver of Linton.

Fox was shot three times, one in the head, an arm and a leg, by three passengers in his taxi near Edwardsport last night. The shooting occurred when Fox refused to step out of the automobile about a mile from Edwardsport on command of his fares. He was thrown out of the car and dragged himself to a neighboring farm house.

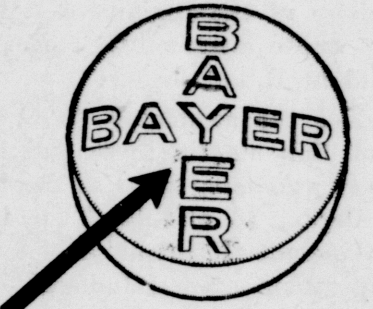

The three men drove away in the car and about midnight, John Wiegartner, 19, formerly of El Paso; Garland Walls, 16, of Cleaton Ky., and Howard Gregory, 18, of Centralia Ky., were picked up here as suspects.

SUES FOR \$25,000

Terre Haute, Ind., July 8.—Dr. M. B. Van Cleave, police surgeon, was made defendant in a \$25,000 suit filed here today by Lester Fegley laborer, charging alienation of affections.

RUSHVILLE, IND.

MANY ENTRIES AT WATER CARNIVAL

Indianapolis Will Stage Two Big Water Events With Swimming and Diving Championships

BOTH AT BROAD RIPPLE

Swimming Events Will be Held July 28, And Carnival Sports on August 18 and 19

By HEZE CLARK

Indianapolis, Ind., July 8—With but ten days remaining before the closing of entries for the big swimming and diving championship meet to be held July 28, entries for the events are beginning to arrive at the office of Paul Jordan, here. Jordan is chairman of the championship committee of the Indiana A. A. U. under whose auspices the meet will be held at Broad Ripple.

Besides the swimming meet the last of this month, there will be a two day swimming meet at the same pool August 18 and 19. The three meets include National A. A. U. Championship events, Indiana A. A. U. Championship events, open races and races for boys living in Indiana.

Watching The Score Board

Yesterday's hero—Ray Schmandt The young Brooklyn first baseman hit a homer in the tenth inning that beat the Giants 7 to 6.

The Cardinals made thirteen hits good for twelve runs in the seventh and eighth innings and beat the Phils 15 to 2.

Moore's wildness gave the Indians three runs, but he was effective in the pinches and the Athletics won 5 to 3.

The Braves beat the Reds 8 to 2 in a very important game. "Sarcasm."

The Tigers took a pair from the White Sox, 13 to 8 and 9 to 6.

Indianapolis. All entries for the meet this month must be in by July 18.

The national championship events at the July "water-dog" carnival open to amateur swimmers are the one-mile free style for men, and the high dive for women. The swimming races will not start until four o'clock in the afternoon.

There are three senior Indiana A. A. U. championship events July 28, open only to swimmers from Indiana and the entries indicate that the athletic clubs, schools and Y. M. C. A.'s in all parts of the state are going to send their best swimmers. These three events are the 100-yard state championship for men, free style; the 100 yard back stroke for women; the plunge event open to both men and women.

There will be two open events which swimmers from not only Indiana but other states may enter. These are the fifty yard free style for men and the 100 yard free style for women. There will be a fifty-yard race open to boys who weigh 100 pounds and less.

In the first day of the August swimming meets, there will be one national championship event, the 440 yard free style for women, three state championship races, two open events and two Indianapolis championships. There will be a national championship event on August 19, which will be the 220 yard free style for men. On that day the program will include three state championships, three open championships and two city championships.

BALL PARK FENCE TO BE FINISHED TONIGHT

Improvement and Booking of Better Teams Makes it Necessary to Raise Prices For Games

NEWCASTLE COMING SUNDAY

The fence surrounding the Tail Lights' baseball park was expected to be completed tonight, and several other improvements were under way, so that only the best teams in this section of the state will be booked here for games.

It has been pointed out that in order to play good teams it is necessary to pay the price asked by these teams, and the management of the local park announces a new scale in prices that will be effective Sunday. These prices conform with those in use at Cambridge City, Richmond, Connersville and Shelbyville. The prices at Greensburg still are higher than in this city.

In playing these teams it is necessary to make the same charge, and the slight advance will not be noticed by anyone. The general admission will be raised from 25 to 35 cents, and the grand stand seats will be sold at 15 cents. Ladies will be admitted to the grand stand free.

The Newcastle team which comes here Sunday is newly organized and formerly was the Maxwell team. It is a great expense to bring a team here like this one, but the baseball fans are demanding the best, even if the Tail Lights can't win them all. A three game series with Shelbyville is next, with the first game on July 17 at Shelbyville and the next game on the 24th in this city, and the third game on the 31st at Shelbyville.

The Newcastle team will present the following line-up: first base, Gaunce, former Southern league player; second, Hauss, semi-pro; short stop, Fortson, semi-pro; third base, Dietrick, Butler University, Illinois; right field, Vermillion, Purdue; center field, Kramer, Maxwells; left field, Roberts, Maxwell; pitcher, Tennant, Three I League; catcher, Cole, Maxwell, and utility pitcher, Shawhan of the Kalamazoo team.

Cleveland went back into first place by winning a double header while the Yanks lost. The White Sox and the Cobb returned to the game as a pinch hitter and drove in the run that beat the Yanks.

HARDING JOINS RED MEN

Washington, July 8—President Harding Thursday received the three degrees that made him a member of the Improved Order of Red Men. Among those who helped administer the degrees and who witnessed the President's entry into the

order, were Senator James E. Watson, Representative Albert B. Vestal and Representative Oscar E. Bland, of Indiana; H. J. Churchman, of Springfield Ohio, Past Ruler of the order; John Byers, of Marion and Harry D. Chapman, of Columbus.

"One of the Greatest Economic Problems Is Distribution"

PRESIDENT HARDING in a recent address declared that "one of the greatest economic problems, if not the greatest, is distribution. There can be no doubt of the position of the good roads movement in the solution of the problem. I believe that Federal and State Governments must not only create good roads but they must insist upon the maintenance of good roads. A good road gone wrong is a streak of memorial to neglect and waste. The roads we build must be built for use in the distribution of products rather than for merely pleasure riding. We must foster the use of motor trucks."

The expression of the chief executive of our nation is but a confirmation of the experiences of the Standard Oil Company (Indiana) in the conduct of its business.

The problems of distribution are of paramount importance and in effecting this distribution, good roads are a primary essential.

The Standard Oil Company (Indiana) has in operation more than 4000 motor trucks engaged in distributing gasoline, kerosene, and lubricating oils to ultimate consumers in 11 Middle Western States. It is the business of this department to attempt to furnish Standard Oil products to whoever may require them, wherever he may live.

To supplement the tank wagon, the Standard Oil Company (Indiana) maintains a network of service stations, located on the main traveled highways, every few miles in the country and every few blocks in the city.

Through its highly specialized organization, the Standard Oil Company (Indiana) manufactures from crude petroleum the three factors necessary to a solution of the problems of distribution.

Stanolind Paving Asphalt for good roads—enduring roads.

Red Crown, the high-grade gasoline, for power—tremendous power.

Polarine, the perfect motor oil, for lubrication—correct lubrication.

In the manufacture of these products, the Company has set as a measure of value, specifications which it believes insure the user the utmost of service at a minimum of expense. Its products are made to exact standards, and these standards are based upon a careful, exhaustive study of the conditions under which they will be used. All are uniform in quality and go to the consumer with the Company's guarantee that they are exactly as represented.

PASTORS OF DISTRICT WILL HOLD A PICNIC

Methodist Ministers and Families
Plan Outing For Hawkins' Playground at Connersville, July 14

COMMITTEES ARE APPOINTED

Methodist ministers of the Connersville District and their families will have an all-day picnic at the Hawkins' playground at Connersville, Thursday July 14. Amusements for young folks from seven to seventy have been planned. Fishing, swimming, tennis and baseball are offered for those who wish to indulge while others may fat or take a cat-nap in the shade.

The committee on sports are the Rev. E. H. Boldrey, pastor of the First M. E. church at Shelbyville; the Rev. L. C. Murr, pastor of the West Street M. E. church at Shelbyville; the Rev. M. S. Taylor, pastor of the Main Street M. E. church at Shelbyville; committee on time and meeting place, the Rev. Oscar Jean, pastor of the Methodist church at Laurel; the Rev. L. H. Kendall, pastor of the Grand Avenue M. E. church at Connersville, the Rev. C. S. Black, pastor of the St. Paul's church at Rushville; committee on lunch, Mrs. J. W. McFall, Mrs. L. H. Kendall and Mrs. J. R. Flanigan, all of Connersville.

The district picnic is one of a series that have been planned in the eighteen districts of the Methodist church in Indiana. The next will be held July 29 at Battle Ground by the Lafayette district.

PRODUCES SUGAR NOW WITHOUT THE KICK

Prohibition Officers Are Divided
Over Opinions on Cuban Sugar Situation Here

LIQUID CONTAINS NO ALCOHOL

Washington, July 8—Prohibition enforcement officials were divided today in their opinion regarding the admissibility of Cuban "sugar with a kick."

Reports to the department of commerce stated that Cuban scientists have discovered a way of converting sugar into a drink which contains no alcohol, but has an "iron mike" punch.

"Another wet hope gone wrong", declared Roy Haynes, prohibition commissioner today. Haynes declared the Volstead law banned all intoxicating liquors, regardless of alcoholic content.

George W. Ashworth, chief of the division of customs, held out more hope to the thirsty.

The discovery was the result of experiments made at the government sugar college for ways of converting the huge surplus of sugar into salable goods.

Work has been begun in Peru on a railroad to cross the Andes and form a connecting link between the headquarters of the Amazon river and the Pacific ocean.

BUICK

THE universal confidence of Buick owners in their Buick cars is the best testimonial of Buick worth. It is the result of years of satisfying service.

But Buick is more than dependable. It is comfortable and beautiful. Examine a 1922 Buick from the inside. Enjoy its many conveniences, its refinements, its roominess. And test the Buick Valve-in-Head motor on the steepest hill.

* **tle Trading, Total Considera-** *
* **tions Amounting to Only** *
* **\$16,442.** *

The real estate trade in Rush county continues very light, very little changing hands during the last fifteen-day period. Considerations mentioned in the transfer records amount to only \$16,442. The largest sale of the season was \$5,390, which sum was paid for an undivided 2-7 of a tract of land in Washington township. The transfers are as follows:

Alfred N. and Leota N. Gilbert to Leila N. Gilbert, et al., north half of lot 25 and part of lot 26 in L. Sexton's heirs second addition to Rushville and lot 170 in Payne, et al., trustees' addition (quit claim to an undivided 2-3 interest in all of the above real estate) \$3300.

Leila N. Gilbert, et al., to Alfred N. Gilbert, quit claim, to one-third interest in part of lot 26 in L. Sexton's heirs second addition to Rushville, \$2,000.

Edwin Farrer to Victor J. Jones a lot in Rushville North Perkins street, \$1250.

William M. Gregg, et al to John E. Holmes, quit claim to 190 acres in Noble twp., \$1 and to correct title.

Ralph and Ida Gosnell to William S. and Mary C. Tones 110 sq. rds. and 30 sq. ft. of land in Orange twp., \$1,000.

Alva A. and Mary C. Newsom to Jesse F. Price, part of lot 14 in the original plat of Burlington (now Arlington) and other real estate in Arlington, \$1100.

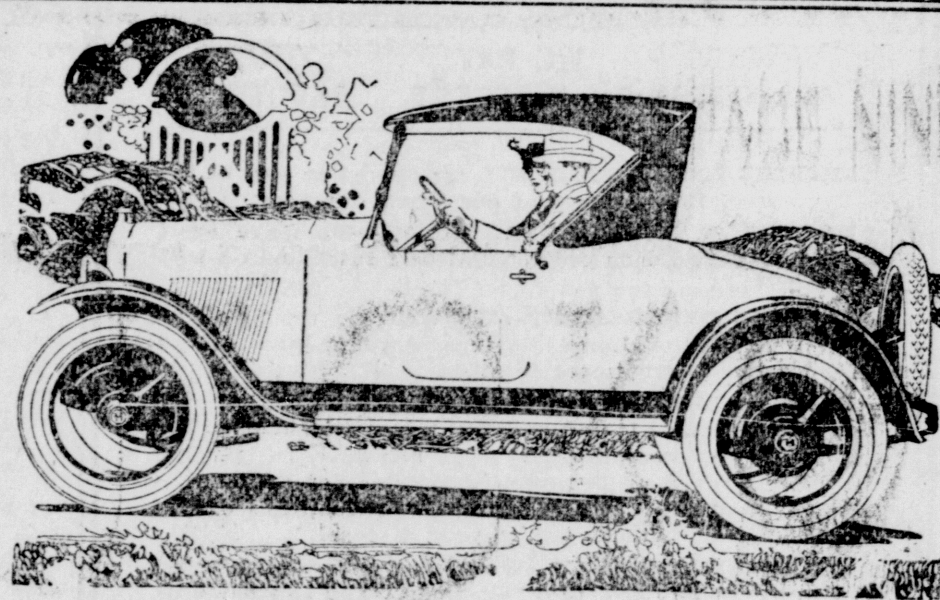

Sarah A. Churchill to Lee Smiley and Aileen Smiley a lot in Rushville, adjacent to lot 27 in David Graham's addition, \$1.00

Zula and William W. Barker to Ida E. Jackson, undivided two-sevenths of a tract of land in Washington twp., \$5,390.

East Hill cemetery company to William M. Alexander, lot 73 in section 6 of the cemetery (deed of 1893) \$100.

Mary J. Parris to John H. Power, lot 38 in Payne, et al, trustees' addition to Rushville, \$2200.

Four sacred wars were waged in Ancient Greece, chiefly for the defense of the temple of Delphi.

SOMETHING THAT 4,500,000 FORD OWNERS NEED AND WANT

A new and marvelous invention—a device that will make thousands of distributors independently rich—will pile up sales that dwarf all previous records. Sales possibility can be readily determined by the number of Ford owners in your territory—every owner will grasp its importance at a glance—every one of them will mean a sale.

This indispensable device now ready for distributors—ready for men who want to make money and make it fast—for men who act quick. A chance that comes once in a life time—an opportunity for success in a big way.

Only the most reliable and trustworthy men will be selected to distribute this product and they will be given exclusive territory. If you have a reputation for doing things—if you have capital sufficient to carry you for a short time—if you are desirous of unlimited progress, write, wire or call on us immediately for full particulars pertaining to the greatest sales proposition ever offered.

MAY BECOME OWNER OF TREASURE CAVE

Adam Fischer Recently Returned
From Mexico, Where He Said He
Had Relocated the Blanco Cave

IT CONTAINS \$73,530,000

(By United Press)
San Antonio, Tex., July 8.—One man in the world knows the location of the Cavallo Blanco cave, in old Mexico, and knowing it may result in his becoming the possessor of \$73,530,000 in gold and silver.

Adam Fischer, recently returned from Mexico, said he had re-located the Blanco cave, with its great treasure trove. He discovered it once before, but was unable to find it when he returned.

Fischer is now awaiting the decision of the Mexican government on his application for a concession to remove the hoard.

The story of the gold and silver bars and Spanish octagonal dollars dates back to 1810. At that time during a revolution against the Spanish government, it is claimed that officers of the government and army took the gold and silver from the treasury and hid it in the Cavallo Blanco cave, in the Cerro de Silla mountains, near Monterey, in the State of Nuevo Leon.

Hundreds have spent their lives in the search for the treasure, according to Fischer, but he alone has discovered its hiding place.

If Fischer gains possession of the great fortune he plans to erect a \$2,000,000 monument on Alamo Plaza to the heroes of the Alamo, and also make other munificent municipal gifts.

DIDN'T RESIGN, HE SAYS

Patrolman Sam Brown Returns to
Find His Job Filled

Sam Brown, former patrolman, stated today that he desired a correction made in the account concerning himself and the city council. The record at the council meeting Tuesday night stated that he was not questioned in the matter, and that he was fired. He said the first he knew of the "resigning" was when he read it in the paper. He said that he had been given permission for a week's vacation at Martinsville, and has returned home ready to resume work, when he read an announcement that he had resigned.

Cubans Show Gratitude by Concocting a New Drink

Washington, July 8.—The Cubans are a grateful race. We freed them from Spain, and now they are going to free us from Volstead, according to a dispatch from Havana to the department of commerce today.

A new drink, neither beer nor whiskey, nor any dopey junk, but a drop of which will make you frisky and a spoonful make you drunk, has been discovered by the new sugar college of Cuba, the dispatch declared.

Scientists of the college which is government endowed, declare that the drink contains not a drop of alcohol nor any substance which would bar its importation into the United States under the Volstead act or anti narcotic laws. It is made from sugar but the entirely new and wildly intoxicating liquor is dependent upon a secret chemical transformation.

THE GOITER PROBLEM

There Are Distinct, Conspicuous
Goiter Regions Within the
United States.

"No one wonders at goiter among the Alps," Juvenal wrote in ancient days. "That there are distinct, conspicuous goiter regions on our own continent and within the United States is not as generally understood as it ought to be," says the Journal of the American Medical Association. "The early explorers found goiter among the North American Indians, and today the region of the Great Lakes is probably the best recognized though by no means the only geographic area in which the enlargement of the thyroid gland becomes a manifestation sufficiently frequent to deserve careful scientific consideration."

"The recent studies of Marine and his co-workers on the incidence and types of thyroid enlargement in the school girls of Akron, Ohio, have called attention in a most striking way to what goiter really means in this country. Out of hundreds who were examined, more than half showed some detectable enlargement of the gland, although most of them were comparatively slight, showing a visible bulging of the skin over the thyroid isthmus and a widened and thickened isthmian band or mass on palpation. An added importance to these statistics is afforded by the fact that the simple goiter is medically preventable without great difficulties."

In view of these facts as stated by the Journal of the American Medical Association, those in this community afflicted with goiter will be much interested in a new remedy, GOITER-GONE, just recently placed on the market. Goiter-Gone is for external use only, and will take away the enlargement of the thyroid gland when due to simple glandular growth and many cases due to other causes. Your local druggists, Hargrove & Mullin and F. B. Johnson & Co. can supply you this remedy—Advertisement.

ANSWER THIS PUZZLE

Win Ford Sedan or \$800

The operator of the movie machine in this theater decided to play a joke on his audience, so he threw these re-arranged "Movie" players' names on the screen.

To solve the Movie Puzzle all you are required to do is rearrange the letters so that they will spell the correct actor's or actress' name. No. 1 is Mary Miles Minter. If you can guess all ten you can win Ford Sedan or \$800.

Probably you know the names of most of the famous players, but just to refresh your memory we mention below the names of a few of the most popular "movie" players:

Charlie Chaplin, Bebe Daniels, Norma Talmadge, Mary Pickford, Thomas Meighan, Dustin Farnum, Tom Moore, Douglas Fairbanks, Blanche Sweet, Mabel Normand, Pearl White, Fatty Arbuckle, Wallace Reid, Beverly Bayne, William S. Hart, Clara Kimball Young, Lillian Gish.

ONLY 185 "POINTS" WINS AUTO

For each name that you arrange correctly you will receive 10 "Points" toward the FORD Sedan, or 100 "Points" in all. If you arrange all names correctly. You can gain 60 more "Points" by "Qualifying" your answer. That is, by proving that you have shown a copy of our paper, The Rural Weekly, to five people. The final 25 "Points" will be awarded by three judges on the neatness, style, handwriting and spelling of your answer.

The answer gaining 185 "Points" (which is the maximum) will win the FORD Sedan, or \$800 in cash. Second highest will win a \$200 diamond ring, and so on down the list of 25 big prizes. In case of a tie, both winners will receive same prize. Send your answer TODAY. As soon as your answer is received, samples will be sent FREE, to assist you in qualifying.

Costs Nothing to Try—You Can Win

You will not be asked to subscribe to The Rural Weekly, nor spend one penny in order to win. We have given away over 100 autos. You may be the next lucky winner. Write your answer to the Puzzle on one side of the paper, name and address in upper right hand corner. You can win—Answer the puzzle now.

The Puzzle Man, THE RURAL WEEKLY, St. Paul, Minn.

NOTICE OF BOND SALE

Notice is hereby given by the undersigned Treasurer of Rush County, Indiana, that on and after two o'clock p. m. on

TUESDAY, JULY 19th, 1921,

at the office of said Treasurer in the Court House at Rushville, Indiana, he will receive sealed bids for the purchase of Twenty-nine Thousand Four Hundred Forty Dollars (\$29,440.00) Road Bonds, dated April 30, 1921; said bonds to be 80 in number; 40 bonds chargeable to Posey Township, Rush County, Indiana, each bond for the principal sum of Four Hundred Eleven Dollars (\$411.00); and 40 bonds chargeable to Walker Township, Rush County, Ind., each bond for the principal sum of Three Hundred Twenty-five Dollars (\$325.00), bearing interest at the rate of five per cent (5%) per annum, payable semi-annually on the 15th day of May and November of each year.

The first four bonds will be due and payable on May 15, 1922, and four bonds each six months thereafter until all of said bonds have been paid.

Said bonds have been issued for the purpose of providing funds for the construction of the Ert W. Dearing et al Road on line between Posey and Walker Townships, Rush County, Indiana, and will be sold to the highest bidder for not less than par and accrued interest.

The right is reserved to reject any and all bids.

CHARLES A. FRAZEE,
Treasurer Rush County, Indiana.
July 8-t1

ESTATES ARE HELD AS
EX-ENEMY PROPERTY

Peace Resolution is Proof Against Restoration by Courts, in Opinion of Bureau Head

33,000 ESTATES ARE INVOLVED

Washington, July 8.—The peace resolution is proof against restoration of ex-enemy property via the courts, George E. Williams, managing director of the alien property bureau declared today. Williams said the government was not alarmed at the report that a battery of lawyers retained by ex-enemies would file suits for the return of property held by the alien property custodian immediately after a formal presidential proclamation of peace.

About 33,000 estates of a total valuation of approximately \$500,000,000 are now in the hands of the custodian, Williams said. Of this amount \$326,855,990 belongs to German subjects; 39,555,557 to Austrians and 91,866,053 to "American enemies."

However, some of the American property has been returned since the armistice and the latter figure is now smaller, Williams said.

Williams declared that the ultimate disposal of ex-enemies property would have to await congressional legislation.

Amusements

"The Big Punch," Mystic
Following his great success in "Just Pals," in which he received universal praise throughout the country, Buck Jones once more steps out of his character as cowboy to enact a role of a more serious nature, in his latest William Fox production, entitled "The Big Punch," which will open at the Mystic Theatre tomorrow.

"The Big Punch," is an original story by Jules G. Furthman, and is described as an intensely appealing tale of the Western hills. The story revolves around a young man who is arrested for sheep rustling in which he had no part, is convicted and sent to prison for a term of five years. Following his release from prison, his efforts to "make good" furnish many thrilling incidents.

In the leading role, it is said, Buck Jones displays greater emotional ability than he has ever shown heretofore on the screen.

Jack Ford, who directed "Just Pals" directed also "The Big Punch."

Elaine Hammerstein at Princess

A good story with a swiftly moving plot, a popular star, gorgeous settings and lavish costumes are promised in the new Elaine Hammerstein picture, "The Girl From Nowhere," which will be the featured attraction at the Princess theatre today and Saturday.

The story tells of a wealthy and beautiful daughter of society, Mavis Cole, who becomes infatuated with Herbert Whitman, a society rotter, who induces Mavis to elope with him. But before they can be married Mavis learns of Whitman's poor character and takes refuge in a hunting lodge buried deep in the snow-covered hills.

Alone and weary, she is surprised by the caretaker, who demands to know why she is trespassing on "Jimmy Ryder's" property. The seriousness of her predicament prompts her to state that she is the wife of Jimmy Ryder, whereupon, much to her surprise, Ryder himself appears on the scene and in a spirit of chivalry he confirms the claim.

From this strange predicament the story winds through a maze of strange situations and eventually leads Mavis to the happiness she had sought in the beginning.

In "The Girl From Nowhere," William B. Davidson plays the leading male role, while Huntley Gordon is the "heavy." George Archainbaud directed.

GIRL STUDENTS EXCEL
MEN IN MANY STUDIES

Survey of Colleges in Middle West Shows That Women Are Coming Forward in School Work

MATHEMATICS LEAD LIST

Chicago, July 8.—Men haven't a monopoly on brains after all. Those who said the only mark of today would leave upon the generation would be distorted necks among the men are all wrong.

A survey of colleges in the middle west shows that the coeds have stepped right up to the head of the class and received higher grades than the men during the school year just closed.

The survey was made by Mary Ross Potter, dean of women, of Northwestern University, among colleges in Illinois, Missouri, Indiana, Ohio and Iowa.

Eduactors in all these states agreed that women were better students and received higher marks than men.

Girls greatly excel men in mathematics or any other subject requiring attention to detail, it was shown.

SEVENTH FEUD VICTIM

Chicago, July 8.—Joe Sinacola is the latest feud victim of the "bloody Nineteenth" ward. Sinacola, friend of Anthony D'Andrea, slain political and labor leader, was fatally wounded last night. He is the seventh feud victim in the ward recently.

Fish nets made from sea grass are both strong and cheap.

FOOD PRICES BEGIN
TO FALL IN GERMANY

Berlin, (By Mail to U. P.) —A slight sinking of prices for the most important foods is noted in the German markets. Statistics show that with the exception of bread, the necessities have dropped about 15 percent since the first of the year. Bread and coal, however, cost slightly more than Jan. 1.

Butter was released in June from government control, with the result that considerable can now be purchased in the stores openly and at lower prices than previously. The price dropped within a few days from 35 marks to 22 marks a pound. Restrictions on rationing of milk have also been decreased, though a certain governmental control is still maintained so that the poor may not be victims of profiteering and so that they may be assured a proper quantity of milk for their children.

"Extremes of Blondes"
Have no Place in Business

Hartford, Conn., July 8.—"Extremes of blondes" and girls with bobbed hair have no place in American business life, F. K. Daniels, president of the Aetna Insurance Company employing 3,000 women throughout the country, told the United Press today.

The company recently issued a mandate that no more artificial blondes or bobbed heads would be employed and that employees already in either category would have to get back to normalcy as rapidly as possible.

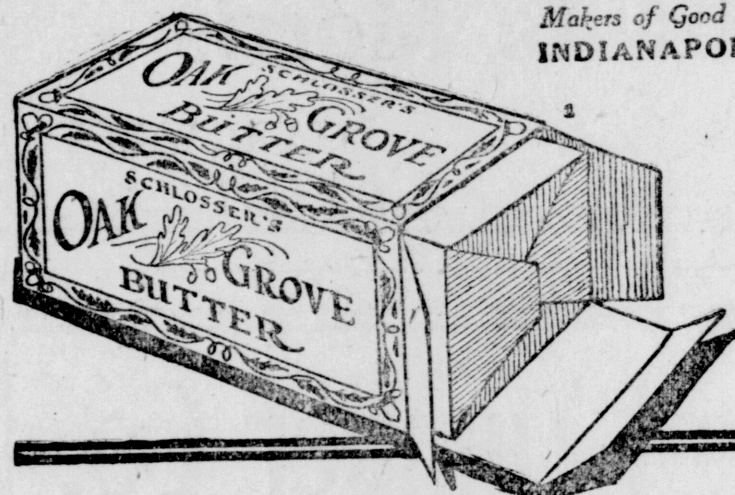

"The butter, please," said at every meal without the realization that butter is a necessary vital food.

Spread on bread or used in cooking the butter fat in OAK GROVE, provides a substance called "vitamines" without which children cannot grow. This substance is not found in any vegetable fat.

The delicate flavor and delicious taste of OAK GROVE make it welcome wherever good butter is appreciated.
